HORIZONS '82

"WORKING for a living the whole day long

ALL the live long day . . .

WORKING at living the whole day long

ALL the live long day."

This year's HORIZONS DAY, an All-College Event, is centered around the theme of WORKING. The day will feature "an inspired adaption of the stage musical based on the best-selling book WORKING by Studs Terkel." Along with the film, we will have as our guests Phyllis Geller, the producer of the film as well as the producer of KCET's American Playhouse, and Barbara Hershey, well-known actress who appears in WORKING.

Plan to join the Mount Community at the Chalon Campus beginning in the Circle at 10:15am with coffee, and then proceed to the Little Theater for the program as we "celebrate America at work". The Mass of the Holy Spirit will close the day in the renovated Mary Chapel at 2:30pm.

CONGRATS . . . and special thanks!

IGNORANCE IS NO EXCUSE!

It is true that as college students, we lead a hectic life which leaves us with little or no time to keep up with the just as hectic world around us. But another election is coming up in November and we should try and find out how the candidates stand on very critical issues such as: gun control. Remember every decision an elected official makes, affects us in one way or another!

"If men and women of capacity refuse to take part in politics and government, they condemn themselves, as well as the people, to the punishment of living, under bad government." Sen. Sam Ervin
We all can't be politicians but we can let those who are, know how we as voters feel!

IN SEARCH OF A SCHOOL MASCOT

One day an interesting subject was considered be a few people ordering school shirts in the bookstore. Does Mount St. Mary's have a mascot? Furthermore, if the Mount does have a mascot, then who retains this information? It is quite obvious that this small quaint college has no football team, or in fact, no major sport team to carry a school mascot. But as an energetic college community, why can't we have a mascot? If any person can satisfy this curiosity with the correct information, please reveal yourself. On the other hand, if the Mount does not have a mascot, suggestions are greatly appreciated. Ideas and sketches can be forwarded to Imelda Hunkin or Mary Cruz through the mailroom or Bookstore before November 19. Be sure to include name, room and box number. As an incentive, the Bookstore will offer a \$10. Gift Certificate to the design selected.

FOOD SERVICE APPEAL TO THE STUDENTS AND MOUNT COMMUNITY:

The Food Service has lost over \$500 in china and silverware during the last few months as a result of some of our students' negligence. This practice of taking china, silverware, glassware or utensils out of the dining room must stop. It is causing great financial distress to the College. Food costs will increase for everyone and we will be paying for the indulgences of a few. Plastic plates, cups and utensils will be furnished to you at mealtime--just ask.

In order to further keep food costs down for you, we also ask that you take only one serving at a time. You may come back for seconds, thirds, etc., but please only one at a time. The food waste in the dining hall is enormous. Just watch the trays coming through to the dishwasher some evening. All this waste costs you in increased prices.

Please remember that your meal tickets are not transferable and feeding non-paying guests is not fair to anyone. We have always done our best to please you and your guests, but in order to do this we need your cooperation and support.

To speed up the serving line, please do not stand and talk to our employees or to your other friends. The quicker the line goes through, the less time you will have to stand in line waiting for your own meal. Also, to prevent traffic jams, do not enter from the "exit" door at the end of the line. This just makes things more confusing for others in line.

It has also been brought to our attention that some students have been coming to the kitchen when it is closed. This violates Health and Safety regulations.

Our final request is that with both resident and commuter students we intend to form a Food Service Committee to meet with us once a month to let us know how you feel about your Food Service and to offer any suggestions. If you are interested in becoming a member of this committee, contact Ata or Cleant as soon as possible. In this way we hope to acquaint you with your Food Service and simultaneously give you a role in making any responsible changes that are necessary. We hope that you will use this committee to help us to help you enjoy your meals at the Mount more fully.

Measure the electricity in your body, watch wooden blocks roll uphill, see your voice, and try to catch a beach ball floating in mid-air at the special Discovery Center of the California Museum of Science and Industry, Exposition Park, through March 27, 1983.

Magic wands, kaleidoscopes, whirling chairs, and whispering dishes demonstrate scientific principles, such as optical illusion; visual concepts; and air, light, and sound properties.

More than 37 hands-on projects designed by the faculty and staff of the Physics Department, California State University, Fullerton, stir curiosity and spark scientific interest in a fun, unintimidating atmosphere.

The museum is open 10am-5pm daily. Free admission.

SKI SEASON IS HERE!

Dear Students, there will be a general meeting sometime this week to briefly discuss your interests for the new ski season, for Interterm and Spring semester. Please let me know when this week would be a suitable time to meet for a 10-15 minute meeting. Breakfast or lunch or even dinner times can also be arranged. Also, please prepare a schedule of your classes.

For the meeting, be thinking about some ideas of what you'd like to be a part of. Some current offers we have are:

- 1) A day ski trip to Wrightwood: Mountain High/Holiday Hill, which can also be considered for a weekend event since it's very close by. Students get \$3.00 off on lift tickets on weekdays.
- 2) A weekend trip to Mammoth for \$79.00 - this price includes condo rental, bus transportation round trip and daily shuttle to and from the slopes. An excellent offer from Ski-West.
- 3) A 5-day Easter vacation trip to SNOBIRD, Utah for \$169.00, which includes the price of condo lodging: 3 nights, jacuzzi, indoor pool, and a restaurant (this may be impractical), lifts for 4 days, from a choice of 4 nearby areas which the shuttle buses (already included in the price) daily transport you to and from your lodging, and round trip bus transportation from Los Angeles!!!

So: please be thinking seriously about your ski interests, suggestion, etc. We need to plan as soon as possible and please consider that dedication to one's ski trip is a vital element to a fun and successful trip.

Thank you for reading through this, and I trust that you will feel free to contact me regarding any of this information or your input on skiing.

Sincerely yours,

Denise Baumgartner, 5M2, Box 345
472-9098 or 472-9009

EVENTS YOU MIGHT WANT TO KNOW ABOUT

"Paradise Lost"

Clifford Odet's "Paradise Lost" is presented by West Coast Ensemble. This special and infrequently performed piece premieres Jan. 28-30, Feb. 6, and opens Feb. 12, 1983 and runs 8:00 p.m. Thursday through Sunday until the middle of March: West Coast Ensemble, The Little Victory Theatre, 3324 Victory Blvd., Burbank, \$8 donation. Reservations 761-7471. Contact: Sherry Smith, West Coast Ensemble, (213) 469-6696.

Peter Alexander and Stephanie Weber at the Municipal Art Gallery January 23 Through February 20, 1983

"A Decade of Sunsets," works by Los Angeles artist Peter Alexander, opens January 23, at the Los Angeles Municipal Art Gallery and continues through February 20, 1983. The Municipal Art Gallery in Barnsdall Park is open Tuesday through Sunday, 12:30 p.m. to 5 p.m.

On view will be pastel and gouache drawings as well as painted velvets. An illustrated catalogue accompanies the exhibition which contains some fifty works done during the past ten years. Active on the Los Angeles art scene since 1968, Alexander has had more than fifteen solo exhibitions throughout the country and has participated in over forty group exhibitions in Los Angeles, New York, and Europe. His work is in numerous private and public collections, among them: The Walker Art Center; Fort Worth Museum, Fort Worth, Texas; The Museum of Modern Art, New York; The La Jolla Museum; Minneapolis Institute of Art; and the Los Angeles County Museum of Art.

A show of Stephanie Weber's mixed media will be in the North Gallery at the same time as Peter Alexander's exhibition is in the Main Gallery. According to Gallery Director Josine Starrels, "as Weber layers the media on her paintings, she evokes a sense of layers of atmosphere, of passages into emotional landscapes. The works show a strong sense of linearity and gesture within a painterly framework." A Bay Area artist, Weber has had numerous exhibitions in San Francisco, Berkeley, Oakland, and Los Angeles. Her work is included in the collections of the National Collection of Fine Arts, Smithsonian Institute, The San Francisco Fine Arts Museums, The Brooklyn Museum, New York, and the Baltimore Museum, Maryland.

Danish Design on Display

Tricycles that look like sturdy little bulldozers, vacuum jugs with self-opening lids, and plastic bricks which children assemble into toy buildings and trucks are Danish products representing functional industrial design.

Twenty-six such beautifully simplistic, stylishly modern products are the subjects of a major exhibition, "DESIGN: The Problem Comes First," at the California Museum of Science and Industry, Los Angeles, opening February 9, 1983.

"DESIGN" is on view at the California Museum of Science and Industry Exposition Park, through March 25. Hours are 10-5 daily, admission is free.

CPR

The Beverly Hills Citizens C.P.R. Program and the Beverly Hills Fire Department are recruiting volunteers to teach Cardio-pulmonary Resuscitation (a life-sustaining procedure used by trained persons prior to assistance by paramedics.) Training is available through participation in the CPR Program with other certified instructors.

Anyone interested in learning this procedure and in teaching it to schools, restaurants, hotels, and the general public is encouraged to contact Susan Engler, CPR Coordinator, at 550-4888.

We do want to keep the various groups to a manageable working size, and therefore might not be able to include everyone who volunteers. However, we will attempt to use all volunteers in some facet of the work to be done. We especially want to get your ideas on the various ceremonies and how they would best represent the Class of '83.

Applications are available in the Intercampus Communication Boxes on the 4th Floor Humanities and in the Campus Center. If you are interested in serving in any way, please pick up a form today.

Applications are due by Wednesday, March 2, in Father Delaney's office. If you send them through the Mail Room, please label with Graduation Committee.

Sister Miriam Therese Larkin Ethical Issues Lecture:

A generous faculty donor has endowed a lectureship in ethical issues in honor of Sister Miriam Therese Larkin. It is our hope that we will be able to sustain this lectureship and make it an annual all-college event.

Therefore, we are happy to announce the inaugural lecture in this series. On April 25 (Friday) Dr. Margaret E. Crahan, Luce Professor of Religion, Power, and the Political Process at Occidental College, will be on campus. Her schedule will include:

- 9:40-10:40 "Power and Piety: The Political Dimensions of Religion in Latin America"--a formal presentation
- 2:20-3:30 "Human Rights and Basic Needs in the Americas"--an informal discussion

Dr. Crahan is a well-known author, lecturer, and consultant on Latin America. Her topics are very timely in light of the Pope's recent visit to Central America. She is dynamic and well-informed. We are indeed fortunate to have her.

Please put this date on your calendar. Faculty are encouraged to bring their classes. Friends are welcome. This is an excellent opportunity to learn more about our neighbors and to participate in an analysis of the role of religion in the political process as well as the relationship between basic needs, human rights, and government. These are issues of concern to all of us.

TUITION INCREASE

A memorandum concerning the increase in tuition and room and board for the 1983-1984 academic year has been sent to the families of those students who provided their families' names and addresses at registration. Any student wishing to send a copy of this memorandum to their families, may obtain a copy at the switchboard on March 21st.

RESIDENCE ROOM DEPOSITS

1983-84 Residence Room deposits (\$75.00) can be made at the Business Office beginning Monday, March 28, 9am-12n/1pm-3pm. Specific room choices will be made after Easter break. Current students who plan to request residence in September 1983 should pick up necessary forms now from the Admissions Office.

TO ALL STUDENT EMPLOYEES:

If you are working during this current pay period, 3-13-83 through 3-26-83, please turn in your time cards on the last day you work.

Checks for that period will be available 4-4-83. If you want the check mailed to you, please submit a stamped self-addressed envelope to the payroll office.

YBS????!!!!???

Have you been wondering what those badges "ask me about YBS" mean? What on earth does YBS stand for??? YEARBOOK SALES, of course! The Yearbook Staff of 1982-83 is confident that this year's book "Almost Heaven" is well worth your money. Just ask any staff member for 5 good reasons why she/he knows you'll love this year's book. Order before it is too late-we need to submit our order number to the publishing company soon. And you wouldn't want to go without a copy of "Almost Heaven," would you! Just drop by the Resource Development Office today-it's next to the Registrar's Office or ask any staff member for an order. The books are \$30, but you can pay a deposit of \$15-the rest when you get the book. Remember, "A Mountee without 'Almost Heaven' is like an angel without wings."

DO YOU HAVE A SPARE COUCH CLUTTERING UP YOUR HOME?

We can help you with this problem. In fact, we could be doing you a favor since all donations to the school are tax deductible. Help us and help yourself by donating your couch to second floor Carondelet. Contact Jenny Harris (2N2) or Kellie Lovejoy (2Q1). Thank you.

MISSION STATEMENT: DATED: September 28, 1982

Mount St. Mary's College is an academic community committed to continuing exploration of relationship to God, other persons, and nature. This exploration takes the form of programs devoted to excellence in the liberal arts and career preparation at the Associate, Baccalaureate and Masters degree levels, with a special focus on educating women for participation and leadership in our society and our times. The Catholic tradition of the College offers a value orientation for the student's personal and professional life, giving the motivation for a Christian commitment that views professional life as service.

The College encourages its students to actualize their gifts and talents, and to develop the intellectual and professional competence necessary for intelligent and concerned citizenship. The purpose of a Mount St. Mary's College education therefore encompasses the development of a disciplined and continuing curiosity, a receptivity to new ideas, and the acquisition of the knowledge, skills and values, both personal and communal, necessary to evaluate these ideas and live them in society.

BOOKSTORE NEWS:

The "Bookstore Bunch" wishes to thank you all for participating in our first bookstore survey. It's really great to get your opinions on our progress. We read them all and many of your suggestions will be made a part of our program for next year. This summer will be spent seeking ways to streamline our textbook ordering. We'll be trying to find ways to insure better textbook availability for you.

Some of you expressed concern about the amount of money which is paid for your used texts (most of you feel it is too little.) We want to be sure that you understand how the book buy back works.

The College Book Company holds a used book buy back on our campus twice a year. The Bookstore of course, has no control of the amount of money that they pay for your used books. However, we do buy back some books for our store at the same time. Our buyback list is of books that will be used in classes the following semester. In other words, when your instructor submits a book order to the bookstore it goes on our list so that we can watch for these titles and buy as many used copies as possible, up to the quantity needed for the class. For any of the books on our list we will pay you 50% of your original purchase price.

I do hope that this will help you to understand our position on the used book matter. Almost all of the surveys mentioned that the Bookstore should be open more hours each day. We agree! This fall the Bookstore will open at 8:30am, stay open at lunch time, close at 4:00pm Monday through Friday. During the first week of school we will be open till 5:00pm.

So you see your opinion does count! Thank you all again.

Your friends at the Student Bookstore

WHAT'S NEW AT THE BOOKSTORE:

VIS ED CARDS - Language, Science & Technology, Social and Humanities; 1983 Drug Handbook; SANDRA SMITH'S 2 vols review of nursing for state board exams.

THEY ARE HERE!!! AND WITH ICECREAM TOO

What?!? Of course the YEARBOOKS!!!! Come on down to the Brady Parlor on Monday, May 9 (anytime between 7pm and 10pm) to receive or purchase your copy of MSMC Annual Yearbook "Almost Heaven." Enjoy the yearbooks while you indulge in scrumptious ice cream.

P.S. For those who have already purchased their yearbooks, please don't forget your receipts and/or \$15 balance. Thank you!

PLANNING NOTES

As you begin to plan your fall semester and those beyond, you might want to think about these two possibilities: A SEMESTER IN WASHINGTON, DC! Mount St. Mary's College has an arrangement with The American University in Washington, DC which enables you to spend an exciting semester in the nation's capital: taking classes; working in internships in museums, theatres, government agencies; doing research in many possible fields of the humanities, government, art, and science. TO OUR COLLEGE PRINTING CUSTOMERS:

We hope you have liked your printed pieces as designed, this year. Kindly note, however, that design/layout/logotype is not for reproducing in whole or in part, by xerox or instant printing, etc., except at the MSMC press, and as authorized by the designer. In other words, when you plan for a design for a new project that will not be run by College Printing, you must create something original - to use for your xerox-ing or off-campus printer. Outside of xerox-ing letters typed on stationery, please check with College Printing before you plan to use any official seal, stationery logo, program design, etc. Thank you! Jim Kilpack, Coordinator for College Printing; Aaron Stuart, Printer; Sister Anne Marie, Design Consultant for the College.

FROM JIM KILPACK/COLLEGE PRINTING

As we go about this monumental moving project, you would be well advised to help us help you by giving us your printing requisitions as early as possible; and with all information perfectly completed. Thank you! Jim Kilpack, Coordinator for College Printing; Aaron Stuart, Printer; Sister Anne Marie, Design Consultant for the College.
